date of publication, May 2013.

Introduction

The University of KwaZulu-Natal (UKZN) was formed on 1 January 2004 as a result of a merger between the former Universities of Durban-Westville and Natal. The new institution brings together the academic expertise and research capacity of two major regional universities and is at the forefront of higher educational transformation in South Africa.

The University is home to the region's leading academics and has among its staff an impressive number of internationally acclaimed scholars rated by the National Research Foundation, as well as researchers holding the prestigious South African Research Chairs (SARChI) in different areas of specialisations. Research is conducted by, and in association with members of the academic

staff, associated research units, industry, business, government, local communities and international institutions and agencies.

The vision of the University of KwaZulu-Natal is to be the "Premier University of African Scholarship". It strives to reflect the society in which it is situated, not only in terms of race, gender and class, but in how it structures its values and priorities and how it responds, through its research, to social needs. KwaZulu-Natal provides fertile soil for researchers and the University's mission commits the institution to critical engagement with its society and encourages practical research that will lead to socio-economic upliftment of communities. This outcomes-driven approach has led to the establishment of inter-disciplinary 'centres of excellence' devoted to particular projects and

often involving collaboration with institutions from around the world.

The University has formal and informal ties, as well as established exchange programmes, with more than 260 leading universities around the world. At present one-third of the total student registrations are in postgraduate studies. The College Deans of Research are responsible for the management and nurturing of knowledge production and dissemination, as well as support for postgraduate students at the College level.

Senior academics take pride in the mentorship provided to graduate students, encouraging them to develop their skills in critical appraisal and independent thought.

The University provides a vibrant environment for basic and applied research, and offers internationally recognised postgraduate research degrees in all disciplines. It has fostered strategic initiatives in the areas of HIV/AIDS, conservation, economic development and water.

Research innovation is a cornerstone of the new University and as an institution of higher learning, research excellence is recognised and supported as part of its essential identity. The University is committed to growing its existing research capacity further and leading the bid to bring South African and African scholarship to the attention of the international community. At the same time, we recognise that excellence in research and knowledge production should lead to practical interventions in national development strategies, and should be directed to the upliftment of poor and under-developed communities.

Postgraduate students at the University have the opportunity to contribute towards these interventions. The University's strategic priorities are informed by both national and international needs and opportunities and provide considerable scope for cutting-edge research.

We look forward to bringing future postgraduate students on board.

A Choice of Campuses

The University of KwaZulu-Natal offers prospective students the choice of five campuses, each with its own distinctive character.

Edgewood Campus (Pinetown)

The former Edgewood College of Education was incorporated in 2001 and the Edgewood Campus in Pinetown is now the University's primary site for teacher education. With easy access to the N3 highway and approximately 20 minutes' drive from Durban, the Campus offers sophisticated and attractive facilities to a growing number of Education students. Initial and in-service teacher education, higher degrees in a wide range of specialisms as well as research and consultancy are offered. Staff members are engaged with policy-making in education in South Africa and contribute to the international profile of the University through participation in international conferences, teaching international students, hosting international visitors and publishing in international books and journals.

Howard College Campus (Durban)

Durban is a vibrant coastal city renowned for its beaches and resorts. The city is also a major South African port. The magnificent game reserves and estuaries of Maputaland, north of Durban, are a favourite getaway for staff and students alike. Opened in 1931, following a generous donation by Mr T B Davis, whose son Howard Davis was killed during the Battle of Somme in World War I, the Howard College Campus is situated on the Berea and offers spectacular views of the Durban harbour. The Campus is situated in a successful environmental conservancy and the lush gardens reflect a commitment to indigenous flora and fauna. Howard College currently offers a range of postgraduate qualifications in Engineering, Law, Nursing and Humanities (including Music, Social Work, Housing and Architecture).

Nelson R Mandela School of Medicine (Durban)

The Medical School was founded in 1950 as a 'black faculty' in a 'white institution'. The School has been synonymous with the struggle for democracy and racial equality. On its 50th anniversary in 2000, the School received the finest birthday present it could have wished for – the agreement of former President and Nobel Peace Prize winner, Nelson Mandela, to link his name to the School. The Campus is also home to the Doris Duke Medical Research Institute which was launched in July 2003, and which is

training a generation of clinical researchers, enhancing the clinical research infrastructure in KwaZulu-Natal, and fostering collaborations between research groups working on similar projects in South Africa and other countries.

Pietermaritzburg Campus

Pietermaritzburg is located in the scenic Natal Midlands, close to numerous nature reserves and parks, only one hour's drive from Durban and two hours' drive from the Drakensberg. The city has a rich architectural heritage, with examples of Victorian and Edwardian buildings. It is the birthplace of the former University of Natal and its forerunner, the Natal University College, which opened its doors to 57 students in 1910. Two years later, Old Main Building was completed and the hub of the present-day Pietermaritzburg Campus was established. The Campus offers a wide range of innovative academic programmes, which have been successful in responding to local and provincial needs in the broad areas of Science and Agriculture, Education, Law, Human and Management Sciences. The disciplines of Agriculture, Theology and Visual Arts are unique to the Campus.

Westville Campus (Durban)

The Westville Campus is located within an environmental conservancy about eight kilometres from the CBD of Durban and Pinetown. The Campus combines state of the art infrastructure with beautiful natural surroundings. The Hindu temple and Islamic

place of worship reflect its rich multicultural history. It is the official address of UKZN, housing the Vice-Chancellor's office, the offices of Executive members and University-wide administrative divisions. The campus currently offers postgraduate programmes in Science, Management and Health Sciences.

International recognition

The University has a worldwide reputation for academic excellence in teaching and research, and all degrees awarded are internationally recognised. The University has formal links, exchange programmes and collaborative teaching and research programmes with many universities around the globe. A large number of agreements and Memoranda of Understanding have been signed with various institutions in Africa, Asia, Europe and the USA.

Leaders in curriculum development

UKZN has taken a leading role in curriculum development in recognition of worldwide trends and the restructuring of the entire South African educational system towards a more 'outcome-based' approach. Many of the challenges faced in professional life cannot be solved by a single discipline. UKZN has therefore redesigned its curricula to include a large element of inter-disciplinary work. In this way, students are exposed to a range of disciplines, thus widening their choice of career options, and enhancing their understanding of the society in which they will live and work.

Entrance Requirements

Postgraduate Diplomas (NQF 8)

Requirements

- An appropriate Bachelor's degree OR
- Admission to the status of that degree in terms of Rule GR7 (a) OR
- Attained a level of competence as defined by Rule GR7 (b)
- A School/College may prescribe further criteria for admission to study. Consult College Handbooks on www.ukzn.ac.za
- Some Schools/Colleges may accept an Advanced Diploma for entry into a Postgraduate Diploma if HEQF (Higher Education Qualification Framework) requirements are met.

Duration

A minimum of at least two consecutive semesters. Except with permission of Senate, all modules shall be completed at the University.

Curriculum

The curriculum will contain advanced reflection, practice and research methods in the area of specialisation and may include a sustained research project in accordance with College rules approved by Senate.

Rule GR7

- Graduates of any other recognised university (whether in the Republic of South Africa or elsewhere) may, for the purpose of proceeding to a postgraduate qualification of the University, be admitted by the Senate to a status in the University equivalent to that which they possess in their own university by virtue of any degree held by them.
- An applicant who has graduated from another tertiary institution or who has in any other manner attained a level of competence which, in the opinion of the Senate, is adequate for the purpose of postgraduate studies or research, may be admitted as a student of the University.

Bachelor of Honours degrees (NQF 8)

Requirements

- An appropriate Bachelor's degree OR
- Admission to the status of that degree in terms of Rule GR7 (a) OR
- Attained a level of competence as defined by Rule GR7 (b)
- A School/College may prescribe further criteria for admission to study. Consult College Handbooks on www.ukzn.ac.za.

Duration

A minimum of at least two consecutive semesters. Except with permission of Senate, all modules shall be completed at the University.

Curriculum

The curriculum for the Honours degree shall include a prescribed research project as one of the modules which shall account for a minimum of 25% of the credits for the degree.

Masters by coursework and Masters by research (NQF9)

Requirements

- A relevant prerequisite degree OR
- Admission to the status of that degree in terms of Rule GR7 (a) OR
- Attained a level of competence as defined by rule GR7 (b)
- A School/College may prescribe further criteria for admission to study. Consult College Handbooks on www.ukzn.ac.za.

Duration

Coursework

- A minimum of two consecutive semesters (full-time) or four consecutive semesters (part-time) before the degree may be conferred
- With permission and in terms of College regulations, periods of attendance at graduate level at another institution or in another College may be accepted (consult with relevant School).

Research

A minimum of two consecutive semesters (full-time) or four consecutive semesters (part-time) before the degree may be conferred.

Curriculum

Coursework

Candidates shall complete all modules of which one will be a dissertation on a research topic to be approved by Senate. The dissertation module will normally comprise 33-50% of the credit value of the degree.

Research

Candidates shall be required to pursue an appropriate programme of research on a subject falling within the scope of the studies presented at the University. Students must also adhere to possible other conditions prescribed by Colleges/Schools.

Doctor of Philosophy or supervised Doctoral degrees by research (NQF 10)

Requirements

- A relevant prerequisite degree OR
- Admission to the status of that degree in terms of Rule GR7 (b)
- A School/College may prescribe further criteria for admission on www.ukzn.ac.za.

Duration

A minimum of four consecutive semesters (full-time) or eight consecutive semesters (part-time) before the degree may be conferred.

Curriculum

Students will be required to pursue an approved programme of research on a subject falling within the scope of studies at the University. Such a programme shall make a distinct contribution to the knowledge or understanding of the subject and afford evidence of originality shown either by the discovery of new facts and by the exercise of independent critical power. Students must also adhere to other possible conditions prescribed by Colleges/Schools.

Entrance Procedures

Selection procedure

The selection of students for postgraduate study is at the discretion of the Deans and Heads of Schools or the Dean of Research, who will require a particular standard of previous attainment. An applicant may contact the School concerned for more information.

Application procedure

While actual selection is carried out by Schools, administrative application is a vital part of the procedure which must be followed:

- All applicants for postgraduate study must complete a UKZN 'Application for Postgraduate Admission' form.
- Application forms are available from the Applications/College Offices or on the UKZN website at www.ukzn.ac.za under 'Postgraduate Applications'.
- An application fee must be paid to UKZN on submission of the application or at the bank (see detail in next column).
- Once the application data is processed, a candidate will be issued with a student number.
- These steps will enable you to proceed with registration, once selected.

Online application procedure

The UKZN is currently developing an online application system for postgraduate and international applicants. More information on

the availability of this facility will be provided on the UKZN website www.ukzn.ac.za after 30 June 2013.

Application fees

A non-refundable application fee is payable on submission of the application form.

- | | |
|--------------------------------|----------|
| • Local students | R175 |
| • SADC and countries in Africa | R420 |
| • Countries outside Africa | US \$130 |

Application fees can be paid to

Bank: Standard Bank

Name of account: UKZN Main

Type of account: Business Current
Account

Account number: 05 308 0998

Branch: Westville

Branch code: 045426

Reference: F00111402 with applicant's

Swift code: SBZAZAJJ (for
international)

Please provide your full name on the deposit slip and submit proof of payment on submission of your application.

Closing dates

Refer to the listing on pages 28-45 for information on closing dates.

Tuition fees payable (fees will change for 2014)

Postgraduate Diplomas, Honours and Coursework Masters

South African students

Please note that fees quoted are for 2013. Please allow for an increase of at least 5-10% for 2014.

The fees for postgraduate courses fluctuate depending on the qualification, the academic year, and whether the qualification is taken on a full-time or part-time basis. The full fee structure for South African and SADC students can be found on www.ukzn.ac.za/libraries/registration.2012/2012.localfees.booklet.sflb.ashx but the following example is given to explain the structure:

Postgraduate Diploma in Education

1 year full-time	R13 675 p.a.
2 years part-time	R6 520 p.a.

International students

Students from SADC and other African countries pay the same fees as South African students but will pay an additional levy of R1 090 per semester (R2 180 per annum.) Fees will increase for 2014.

For more information contact:

Tel: +27 (0)31 260 2426

Email: reddyle@ukzn.ac.za

Students from countries outside Africa

All students enrolling for Postgraduate Diplomas, Honours or Coursework Masters degrees will pay a tuition fee of:

- i) Full-time: (one year) – US\$8 950 p.a.
- ii) Part-time: (two/more years) – US\$4 475 p.a.

These fees are inclusive of the international levy. Where a student does not complete the dissertation in one year (full-time) or two years (part-time) a tuition fee of R860 and an international levy of R1 090 will be charged per semester (R2 180 per year). Fees will increase for 2014.

For more information contact:

Tel: +27 (0)31 260 2426

Email: red-dyle@ukzn.ac.za

Research Masters and Doctoral studies

Full-time

No tuition fee is charged for full-time Masters and Doctoral studies by research. Full-time international students will be required to pay an international levy of R1 090 per semester (2013) only. Students are eligible for this remission of tuition fees if studies are completed in the minimum prescribed period of study (three years for a PhD, one year for a Masters). Students unable to complete within the minimum period will be charged as per the schedule below.

Continuing fees schedule (research students)

Doctorate	Masters	Fees
Human Sciences, Law, Management Studies, Nursing, Social Science	Accountancy, Art, Commerce, Education, Fine Arts, Information Studies, Law, Music, Nursing, Social Science, Theology, Psychology, Social Work	R6 050 per year or R3 460 per semester
Agriculture, Architecture, Geography, Engineering, Medicine, Science, Dev. Studies, Health Sciences	Agriculture, Architecture, Construction Mngt, Dev. Studies, Engineering, Geography, Land Surveying, Science, Urban and Regional Planning, Health Sciences	R7 056 per year or R3 530 per semester

Part-time

Masters	First two years	Subsequent years
Accounting, Arts, Commerce, Education, Fine Arts, Information Studies, Law, Management Studies, Music, Nursing, Criminology, Social Science, Theology, Psychology, Social Work	R9 550 p.a.	R3 060 p.a.
Agriculture, Architecture, Development Studies, Engineering, Geography, Land Surveying, Medical Science, Science, Urban and Regional Planning	R11 435 p.a.	R3 060 p.a.
Doctoral	First two years	Subsequent years
Human Sciences, Humanities, Development and Social Sciences, Law, Management Studies, Nursing	R19 520 p.a.	R3 060 p.a.
Agriculture, Architecture, Geography, Engineering, Medicine, Science, Development Studies	R22 850 p.a.	R3 060 p.a.
DBA	R33 130 p.a.	R3 060 p.a.

Study abroad students

The tuition fee for any international students taking one or more modules for non-degree purposes will be US\$1 320 per 16 credit module per semester, inclusive of the international levy.

International affiliates

Visiting international students (other than post-doctoral students) who are not registering for any modules but wish to be affiliated to UKZN whilst pursuing their own research, or are here in any other capacity, will pay US\$230 per month (minimum fee charged) or a maximum of US\$1 380 per semester. No application fee is payable.

Please note that the above fees cover tuition fees only. Provision must be made for all other necessary expenses such as accommodation, food, transport and subsistence (see pages 14-15). From the fees listed above, students should take into account only those costs which are relevant to their studies at the University.

Residence and Subsistence Costs

University residences during academic term

Accommodation fees	R25 000
Cost of meals	R22 000
Total cost	R47 000 p.a.

On-campus vacation accommodation

Accommodation fees do not include residence fees during vacations. Accommodation during vacation is R67.10 per day.

Off-campus accommodation

Accommodation excl. meals	R25 000
Cost of meals	R22 000
Total cost	R47 000 p.a.

International students pay the same accommodation fees as South African students but **international students have**

to pay all tuition and residence fees due to the **University** in advance prior to registration at **UKZN**.

Additional expenses

Students must take into account a range of expenses which they may have to meet, depending on their particular course of study.

These may include:

- Orientation Week
- Text materials (issued by the University)
- Field trips
- Books, stationery and equipment
- Transport (off-campus)
- Sports clubs and societies (optional)
- Pocket money

As a guideline, a total amount of R24 000 (South African Rand) should be allowed for

a full year's study to cover the above. Fees quoted are in South African Rands per annum. The cost to the student in the currency of origin shall vary from time to time, based on the prevailing exchange rate of the South African Rand.

Other specific expenses (international students only)

Medical subscription: R4 250 p.a.
Study visa renewals: R425* per application (subject to change. See page 21)

Banking details for tuition fees

Tuition fees can be paid into the following bank accounts and proof of payment must be faxed to: +27 (0)31 260 3099.

Services and Facilities

Accommodation

Limited self-catering single room residence accommodation is available on campuses. Space is limited, and you are advised to make application as early as possible. Many post-graduate students prefer to stay off-campus in privately rented student digs or apartments. For further information on residence and off-campus accommodation, please consult the website www.ukzn.ac.za or contact:

Financial support

The Student Funding Advisors in Colleges administer postgraduate scholarships and bursaries (and loans for South African citizens). Full-time Masters and Doctoral students may be eligible for Graduate Scholarships, which cover 80% of the South African tuition fees. Application forms for external scholarships (such as those awarded by the National Research Foundation) are available from the College Advisors. For further information visit www.ukzn.ac.za/studentfund, or contact:

Campus health clinics

Primary healthcare clinics on each campus are staffed by fully-trained nurses (with referrals to doctors). Services include assessment and treatment of health problems, assessment and referral of drug and alcohol-related problems, reproductive health counselling and contraception, treatment of sexually transmitted diseases, free HIV/AIDS testing and pre- and post-test counselling. Free transport to hospitals in case of medical emergencies is provided to students by Medical Rescue International.

Student counselling

Student Counsellors in Colleges cater for the educational and personal needs of students. Qualified staff members provide:

- Career and personal counselling (Careers Library)
- Trauma and crisis counselling
- AIDS prevention programmes
- Study skills, life and diversity awareness
- Counselling for residence students
- Professional computerised testing for career assessment on interest, personality, career development, aptitude
- Internships in Counselling and Educational Psychology.

Computer facilities

The Information and Communication Technology Division provides students with free access to the Internet and e-mail. PC LANS are accessible 24 hours a day, with facilities for scanning and printing.

Appropriate software packages are provided on the LANS.

Security

Residences and campus perimeter entrances have pedestrian/visitor access control. Risk Management Services (RMS) offer:

- Fire protection and detection
- Occupational health and safety
- Trained security guards
- Campus crime info line
- Student identity cards
- Vehicle parking discs
- Immediate attention with accidents
- Assistance in obtaining medical, counselling and other support after hours.

Libraries

The Libraries on the five campuses house excellent collections. Qualified subject librarians provide general reference and instructional services to students, staff and the wider community. The libraries are fully computerised and operate in a networked environment that provides access to the computerised catalogues and a range of local, national and international databases.

In collaboration with Colleges, the branches of the University Library provide information services and access to an impressive collection of academic resources to support learning, teaching, research and development endeavours. More information can be found at: www.library.ukzn.ac.za.

Campus	Library	Specialisation
Edgewood	The ES Edminson Library	Education
Howard College	The EG Malherbe Library The GMJ Sweeney Library The Eleanor Bonnar Library The Barrie Biermann Library	Humanities, Social Sciences, Engineering Law Music Architecture
Medical School	The Medical Library The Victor Daitz Information Gateway	Health Sciences A virtual library specialising in HIV/AIDS
Pietermaritzburg	The Cecil Renaud Library The Law Library Life Sciences Library Collections of Periodicals in the Schools of Physics and Chemistry The Alan Paton Centre and Struggle Archives The University Archives CATNIP network	Humanities, Social Sciences, Commerce and Management, and the Sciences Law Biological Sciences: houses important research collections for natural sciences. Natural Sciences. Information on resistance to apartheid in KZN Midlands. Collection of works and papers pertaining to the Liberal Party and other political organisations. Material on the University's history and achievements of staff and students. Includes the holdings of 26 libraries in the Pietermaritzburg region in the UKZN Library Catalogue. Members include the Natal Society Library, Natal Museum, Cedara Agricultural Institute, and members of the Theological Cluster.
Westville	The Main Library The Joe Ryan Library	Located at Dental hospital. It holds a large volume of books, journals and audiovisual materials and provides access to electronic resources (bibliographic and full-text databases) as well as links to academic and other resources on the Internet.

Sports and recreation

Sport is an important part of University life and the University caters for everyone, from the recreational through to the highly-competitive participants. The Edgewood, Howard College, Pietermaritzburg and Westville campuses all have an impressive range of indoor and outdoor facilities.

Each of the campuses has its own tennis and squash courts, swimming pool, jogging areas and gymnasium for those who want to enjoy recreational sport in their own time. Those interested in a more structured sporting experience can join one or more of the available sports clubs, which provide excellent facilities, coaching and equipment for students who wish to compete at any level, from beginner through to national level.

Some of the major sporting activities offered at the Edgewood campus include basketball, football, netball and karate. The following sports and activities are presently offered at the Howard College and Pietermaritzburg campuses: athletics, aerobics, basketball, ballroom dancing,

canoeing, cricket, golf, hockey, karate, mountaineering, netball, rugby, soccer, softball and squash. Howard College, which has its own indoor sports complex, also offers boxing, chess, gymnastics, surfing, underwater sports and yachting, while Pietermaritzburg also offers tennis, rowing and volleyball. Westville Campus boasts a well-equipped and modern indoor sports complex and an Olympic-size swimming pool. The following sports are offered on the Westville Campus: athletics, aerobics, badminton, basketball, boxing, ballroom dancing, chess, cricket, gymnastics, golf, karate, netball, soccer, softball, squash, swimming, table tennis, volleyball and weightlifting.

All sport is administered by the Sport Administration Office on each campus. University sport is affiliated to USSA (University Sport South Africa) and many opportunities are provided for competition at regional and national level, culminating in the World Student Games which are held biennially.

Sport Scholarships are available for top performers. Any student who is selected for provincial or national representation can apply to the Sports Administration for financial assistance.

Westville	Tel: +27 (0)31 260 7362

International Applicants

Entrance requirements

International applicants are subject to a selection procedure based on academic merit and the number of spaces available. Candidates should have completed a four-year Bachelor's Degree, OR a three-year degree plus a one-year full-time Honours Degree in the relevant field to enrol for a Masters Degree. All applicants should apply to the South African Qualifications Authority (SAQA) to obtain a certificate of evaluation of qualification/s prior to submitting an application to the University. Visit the SAQA website at www.saqa.org.za or contact them on +27 (0)12 431 5070. The evaluation process is time consuming and it is advised that you do this well in advance of your

application to postgraduate studies at UKZN.

Forms can be downloaded from www.saqa.org.za/docs/brochures/eq_form.pdf.

Study visa requirements

International students need to send the following documents to the International Student Office in order to obtain a Certificate of Clearance for the purpose of academic registration:

- A passport valid for at least one year
- A study visa obtained from a South African Embassy, Consulate or High Commission in the student's home country
- Proof of health insurance.

The eligibility of international students for study visas will depend on the assessment of the following documents:

- A letter of acceptance from UKZN
- A letter from the University in support of your study visa
- The relevant application fee (this will depend on the Embassy in your country)
- Proof of financial means
- Proof of a South African Medical Health Cover
- Proof of residence in South Africa
- Yellow fever vaccination (if coming from/ travelling through an endemic country)
- A police clearance certificate (not more than three months old)
- Repatriation fee or a return ticket (original proof of payment)
- Valid study visa (when renewing).

The conditions of entry and stay in South Africa for all international students is that they should have in their possession a valid study visa issued in terms of the South African Immigration Act, 2002.

When to apply for a study visa

Prior to leaving for South Africa, applicants must approach the relative authority in their home countries to obtain a study visa. In terms of current South African legislation, South African universities are not allowed to register international students who do not hold valid study visas. Study visas cannot be applied for in South Africa. It is imperative that students

await the outcome of their applications for study visas in their countries of origin or residence. Study visas are renewed prior to expiry.

Where to go to apply for a study visa

You are required to apply for a study visa at the South African High Commission, Embassy, Consulate or Trade Mission in your country of origin. If there is no South African representative in your country, you must apply to the South African High Commission, Embassy, Consulate or Trade Mission nearest to your home country.

When do you apply for a study visa?

You may make an application for a study visa once you have received a letter from the University offering you a place to study, together with a letter in support for an application for a study visa. Study visas can take 4-8 weeks to process and it is advisable to make study visa applications well in advance.

How do you apply for a study visa?

1. Collect the appropriate study visa application from the South African Embassy, Consulate, High Commission or Trade Mission in your country.
2. Complete and return the study visa application to the office where you collected the form initially, together with the required documents.

You are advised to submit the above

documentation as soon as possible to the South African High Commission, Embassy, Consulate or Trade Mission. Do not send the above documents to UKZN. Please keep copies of all documentation submitted for your reference and future use.

Accommodation

Applications for residence accommodation should be made at the time of application. The Student Housing Offices assist students to find off-campus accommodation. The cost of off-campus accommodation varies depending on location and facilities available. In this regard students should take into account the cost of transport to campus.

Financial aid

Regrettably, financial aid is not available to international students. International students are advised to make enquiries from their Ministries of Education or Scholarship Offices at universities in their country of origin.

Refugee applicants

- **Procedures:** You should be in possession of a valid Section 41 permit/Refugee identity document which grants you permission to study. Application procedures and application fees as for local students are applicable. When submitting an application please include:
 - Payment of the local application fee
 - Certified English translations of high school/university documents. The Alliance Francaise assists with French to English translations. Please contact them to establish the cost (www.alliance.org.za).
- **Financing your studies:** Scholarships administered by the United Nations High Commission for Refugees are limited and few students succeed in securing a scholarship. The few who do succeed in securing a scholarship should be willing to save and or work during vacations to contribute to study expenses. Those who do not secure a scholarship may wish to

consider less expensive study options
e.g. correspondence study, which allows
you to work full-time and to finance your
own studies.

International Student Offices

In addition to the official response to the University, successful applicants who will be staying in residence should email or phone the International Student Office to advise their date of arrival.

English proficiency

UKZN is an English-medium university. Its language policy requires that all applicants, who are not from an English speaking country or

have not been educated in an English speaking country, must demonstrate competence in English through one of the following:

- A pass in an examination equivalent to English Higher Grade (First or Second Language) at South African Senior Certificate level (matriculation). Equivalencies are established by the South African Matriculation Board.
- A pass in English at GCE A-level, or O-level (C symbol or higher), or International Baccalaureate.

International applicants who do not satisfy these requirements, and for whom English is a foreign language, must either:

- Attain an overall score of 7.0 (for graduate students) or 6.0 (for undergraduates) on the International English Language Testing System (IELTS). For information on IELTS test dates, venues and costs, contact the British Council through your closest

British Embassy or Consulate, or consult www.britishcouncil.org.

- Attain a test score of at least 550 on the paper version of the Test of English as a Foreign Language (TOEFL) or a score of at least 80 on the iBT (electronic) version of the test. For information about test dates, venues and costs, contact the United States Information Service (USIS) or the US Embassy in your home country; or contact TOEFL direct at toefl@ets.org or consult www.toefl.org.

The UKZN Language Centre provides a testing service and English language courses for those who do not meet these requirements. After testing, students whose scores are comparable to the required IELTS or TOEFL scores can apply to enter a degree programme. Those who do not are advised to spend one or two semesters learning English in the Language Centre.

For further information on Language Centre services, course costs, etc. please contact:

Medical health cover

- Medical health cover is one of the essential immigration requirements when applying for a study visa at the South African High Commission in your home country. It is a compulsory requirement for the University of KwaZulu-Natal. Students cannot register for the academic year without medical health cover. **Momentum Health** and **CompCare** (registered with the South African Medical Aid Scheme) are the two

options available to UKZN students. It is essential to make the necessary financial arrangements for medical health cover prior to applying for a study visa. Ensure that you advise your sponsor of this requirement as soon as you receive your acceptance letter. **A letter indicating medical health cover sponsorship is not acceptable.** The sponsor must organise payment for the required medical health cover directly with the medical health care

provider. UKZN has signed an agreement with ABSA Health Care Consultants, who have been commissioned by the International Education Association of South Africa (IEASA) to undertake studies and provide guidance on the use of medical health cover providers. Momentum Health and CompCare are the only two options available to the UKZN students, and as repatriation is an essential requirement for Immigration/visa purposes, it is included in these two medical health covers. **From 2014 UKZN will only accept the above two mentioned medical health care providers.**

- In 2014 each student must have medical health cover, valid from February to November, 10 months, for the full academic year

- If the student is at UKZN for one semester, five months medical health cover is required
- **Medical students** must have medical health cover, from January to November, 11 months of each academic year.
- **You cannot register without providing the relevant International Student Office (ISO) with proof of medical health cover and a valid study permit.**

The School of Law offers various Masters Degrees and Postgraduate Diplomas at Howard College and Pietermaritzburg Campuses. The onus is on the applicant to ascertain and satisfy the admission requirements of the centre in which the applicant wishes to register. Further information and entrance requirements are available from the respective campuses.

The following programmes are offered, although it must be noted that the University cannot guarantee that the LLM courses listed will be offered in each year; staff availability and student demand will determine which courses are offered. Closing dates are provided at the end of the list.
